

I WANT TO TRY
E.S. SPRUE BUSHING
IMMEDIATELY!

HOWEVER, BECAUSE OF THE
PRODUCTION VOLUME IS SO
NUMEROUS NOW, WE WILL NOT
BE ABLE TO STOP THE MOLDING
THIS MONTH.

10月
OCTOBER

REALLY?

IN THE FIRST PLACE,
THE DIE NEEDS THE
WRING OR WATER PIPES,
THESE ARE SO TROBLESOME!!
SO IT TAKES TIME TO
PREPARE THE MOLDING.

THAT'S SO,
WELL THEN,
LET'S TRY NEXT
MONTH WHEN THE
MOLDING IS
COMPLETED.

BUT, AT THE TIME,
THE ADDITIONAL ORDER
WILL COME MORE...

Hmm...

YOU CAN USE THE
E.S. SPRUE BUSHING
BY SIMPLY REPLACING
THE NORMAL ONE!

**YOU HAVE
ONLY
TO DO THIS!**

SINCE IT DOES NOT
REQUIRE ADDITIONAL
WORKS OR INCIDENTAL
FACILITIES, YOU CAN
EXCHANGE IT IN
JUST 3 MINUTES!

LET ME TAKE
CARE OF IT!

YOU TAKE CARE
OF THE REST!

**JUST
3 MINUTES!?
REALLY?**

WE CAN EXCHANGE IT
WHILE WE ARE WAITING FOR
MAKING THE CUP NOODLES!

SLUUURP!

OH, YOU ARE
ALREADY ATE!
